Program Summary:

Suzanne introduced Doug and Jean from Corazon Company. Corazon works in Tijuana Mexico enabling and empowering families to improve their lives and communities. Perhaps best known for its “Build a House in a Day” program. Corazon assists families in need who have demonstrated a strong commitment to their community.

Our club in the past did build a home for a family in Mexico. At the next board meeting we will discuss the possibility of doing it again. For more information go to www.corazon.org
