They both work very hard but enjoy every moment of it. Interact is proud of the fact that they work with Boy scouts of America and local explorer groups. It was a pleasure to hear the young people talk about Rotary and their involvement with Water for Sudan.

Roy and his son RJ are “getting on the bus” to take 30 children to see their fathers in prison. Most of these children hadn’t seen their fathers in a year and everyone who were involved were very appreciative of what our club did for them and their families.
