Program Summary: This week's speaker was our own Bob Dickenson. Bob spoke about his experience with contractors and told us what to be careful about when you do home improvements. Some of the highlights included,

Hire a licensed contractor

Always get a written contract

Never pay cash, write a check

Only pay 10% up front

Shop around

Check his license number to make sure the person you are dealing with has his own license

Finally, always get 3 bids

For more information talk to Bob, I am sure he would always be available to help a fellow Rotarian

In the moment...
