Happy Bucks and Sad Bucks

HB Bruce sold a house!

HB Ed is happy there is an official anthem for the Vatican!

HB for football!

HB Nate Forrest is celebrating his 12th wedding anniversary!

HB Hugh Wood \$5.00

HB Ron White was delighted to share with everyone, how challenging it was to try to keep up with Diane on the freeway Sunday, going to the Surf event!

Diane Warner introduced our two guests, Lance Woods and Bob Mendoza. They met at the district workshop on increasing your club's membership. They are members of the Signal Hill Rotary Club.

Their club grew from 6 members to 25 in 1 year! When District Governor, Kevin Padilla visited last week, they had him arrested and thrown in jail. The bail that was raised for his release totaled \$4,000.00!

When Bob Mendoza was inducted as the incoming president, there were only 6 members. He invited Lance to become a Rotarian!

Guests were invited to their club meetings but were never invited to join the club-big mistake! They advertised in the local paper as a way of informing the local business members of the activities of their club.

Lance feels it is very important to always make eye contact with a prospective member when you are inviting them. Lance said, "There are givers-takers-slackers".

Look for quality members, businessmen who serve their community. They just finished packing and distributing 400 backpacks from Costco.

When you receive a business card, follow up with a telephone call immediately.

Mainly, be enthusiastic! He recommends the book, The ABC's of success.

Next Week-Carol-Flag, Joe-4-way test, Kathi-ticket sales

Nel was the sponsor for the drawing for this week and Ron White was the lucky \$40.00 winner!
