Club News

This year, we are trying something a little different – a new format for our newsletter. Take a look, and let us know what you think! We also have a new position -- Peace Ambassador – who will convey messages of peace throughout the year.

Our first service activity will be assisting at TOPsoccer’s 18th annual fest on Saturday 7/16, at Wagner Elementary.

Previous Week’s Program

Alex Muolo –
Commercial Insurance

Our own member Alex Muolo gave a craft talk last week. As an insurance consultant at Conrey Insurance Brokers, one of the areas of concerns is commercial insurance, consisting of two primary types – Liability and Commercial Property coverage.

Liability coverage consists of:

- o General – property, bodily injury
Non-monetary
- o Errors & Omissions, Professional, Directors & Officers
Monetary
- o Workers Compensation
Cost of coverage varies from clerical (low) to roofer (highest), based on salary and job risks
- o New businesses may have negotiable rates, depending on establishment and standards in the business, subject to an 80-point swing scale.

Commercial property coverage consists of:

- o Commercial auto
- o Business personal property
- o Tenant improvements
- o Inland marine (moveable property)
- o Cyber – a new emerging field, for 1st and 3rd parties
