Club & Community News

We were well-represented at the District Foundation Gala, and received recognition for several aspects of Foundation-giving including EREY (Every Rotarian Every Year), and average giving of \$100 per member.

Planning for the annual community Prayer Breakfast is underway! Our club hosts the event jointly with the Women’s Roundtable, to kick-off the season of gratitude and giving. Mark your calendars for Thursday, 11/17.

We again plan to lend our support to the City Thanksgiving Food Drive, with the distributions scheduled for Monday 11/22. The requested/recommended non-perishable list will be available shortly.

**October is
Rotary Economic &
Community Development
Month**

District Doings and News

The club is participating in the District’s second Art for Peace Contest, in partnership with local family shelters (specifically HIS-OC). A winner will be selected for three (3) age groups (under 12, teens, and adults) in mid-October, who will then move on to the District level.

The District 5320’s 9th Annual Corazon Housebuild is being planned for a Saturday in March, and will include a sanitation system. Depending on the number of volunteers, one or two busloads will build one or two homes. If you are interested in helping with this project, let us know ASAP! Spots are filling up quickly!

The next District Leadership Social is coming coming! Let Alice know if you are interested in attending this Tuesday 11/15 event – location and topic are to be announced soon.

Last week’s Program

Club Monthly Social

We’ve changed things up a bit - moved our monthly social from the second Tuesday to the second Wednesday. We’re still at Rembrandt’s, starting at 6:00 pm. For the first one (last week), parking was better, and we had a great turn-out! No competing bingo game or live music, so it looks like all systems are “go”!

Debye has planned an interesting activity for each of our socials; however, she was unable to attend this month. We’ll have to see what she has planned next time!

It was great to see both Al and Ron getting back into circulation.
