*Our Chamber is moving! After long discussions and planning, the Placentia Chamber of Commerce is relocating to Bradford, next to Fire Station #1 . The new site will also include a Visitors' Center.*

*The City will again offer its Citizens Academy, an 8-week course on Wednesday evenings beginning 3/27, ending 5/15, with "graduation" at the City Council meeting of 5/21. Each session is 5:30 to 7:30 pm, and provides information about city operations.*

*CERT classes, scheduled for Thursday evenings 4/4 to 5/9, address emergency preparedness and disaster skills.*

*Love Placentia will be on Saturday 4/20! Rotary will again be preparing hygiene kits for the homeless, while other groups will conduct other projects all over the town. Be sure to save the date!*

*The proposed City Senior & Community Center at Tri-City Park has 119 designated parking spaces but is in need of an additional 225 spots. Other open questions include the possibility and feasibility of a land lease with or purchase from OC, maintenance costs.*

Both TC and Alice attended and can provide an overview of the topics discussed.

The District Training Seminar will be held on Saturday morning 3/16, at Chapman University. New directors and new members are encouraged to attend these informative sessions.

The District March for Mental Health Awareness, DG Roy Jefferson's focus project, will be Saturday 4/27 at Yorba Regional Park. More information is coming soon!

Last Week's Program

**Club Assembly  
And**

**Miss PYL Candidates visit**

A special board meeting was held last Thursday, primarily to review the status of our officers and board of directors. Due to recent membership changes, our board has been impacted, creating vacancies which needed to be filled. The resulting actions will be related to the club.

*Enjoy your celebration of  
Valentine's Day with your  
significant other*

We were introduced to this year's pageant candidates for Miss Placentia/Miss Yorba Linda and Teen, accompanied by Shannon Galipault and Karen Urell. Each of the young ladies related their platform/community service initiative. Their CSIs are particularly of interest to we Rotarians, as we award additional scholarship funds to those whose CSI best reflect our Avenues of Service.

*Remember when we celebrated  
Washington's birthday on 2/22  
And Lincoln's birthday on  
2/12?*

The crowning of Miss PYL is this Saturday, at VHS Auditorium.
