**Club & Community News**

*Last weekend, Debye accompanied 3 of our Interactors at the District Interact Training. She rounded Bob into helping with the hamburger BBQ for the attendees. She found it to be a very informative and inspiring day! By the way, are you aware that our community-based Interact club now includes both Valencia and El Dorado High Schools? So neither one is now school-bound, providing a bit more flexibility and greater interaction and cooperation.*

*The annual community Prayer Breakfast is now set for Thursday 11/17, at the Women's Roundtable, to kick-off the season of gratitude and giving. Mark your calendars to attend!*

*The City Thanksgiving Food Drive is scheduled for Monday 11/22 at the Whitten Center. We again plan to participate by filling bags with non-perishable foods. Kathi/Alice has a list of food suggestions*

*The Tamale Fest is back on!!! The City will be the primary on this rather than the Downtown Merchants Association. So clear your calendars – we'll need Santa's helpers and beer pourers!*

**District Doings and News**

Are you interested in meeting the presidents and members of other District 5320 clubs? Are you interested in hearing from engaging speakers? The third District Presidential Social will be on Tuesday 11/15, at the San Juan Hills Golf Club in San Juan Capistrano. The guest speaker will be Dr. Jeff Hittenberger, discussing How to Engage in Professional and Civic Life with Love and Wisdom. Let Alice know if you would like to be her guest for that evening.

The District 5320's 9<sup>th</sup> Annual Corazon Housebuild is being planned for a Saturday in March, and will include a sanitation system. Depending on the number of volunteers, one or two busloads will build one or two homes. If you are interested in helping with this project, let us know ASAP! Spots are filling up quickly!

Last week's Program**Todd Spitzer - OC District Attorney**

Numerous members of the community attended last week's meeting representing city council, Placentia police, the library, the Women's Round Table, and others. They all sought to hear from the OC DA.

DA Todd Spitzer is very familiar with our area of north Orange County, having once been a member of the Rotary Club of Brea, and his children attended El Modena High School. He has had a varied career, ranging from school teacher to police officer to holding political office.

He spoke of the various issues and programs which his office is concerned, interspersing these concerns with personal observations. He stressed the importance of differentiating OC from LA County.
