Club & Community News

Although Martin’s Flying High Chili did not win a ribbon, Jo-Anne did a great job in creating a very tasty recipe! Thank you for the hard work. We had a good turn-out of members at this new venue.

Love Placentia falls on Earth Day this year, on Saturday 4/22 at 9:00 am, during which we will be assembling 1000 hygiene kits at Aguirre Building (Champions Park). Check-in and breakfast will be at El Dorado High 8:00 am.

The annual First Responder Appreciation Breakfast will be held on Thursday 5/18. Sign-ups are being taken, \$35 each.

Save the Date! Our Club Demotion party will be at Kevin & Lorraine’s home on Sunday 6/25. We are planning to do a trial run of the Santa Maria BBQ that we plan to feature & serve at Cowabunga.

District News

RYLA began on Tuesday with on-line “homework”; the students then head to Idyllwild to meet up with the other campers and complete their experience Friday thru Sunday. We are sponsoring two young ladies, from our Interact club, who will share their experience with us soon.

Check your calendars – the District Conference will be at the Marriott Renaissance Newport, from Friday 5/5 thru Sunday 5/7. A Presidents’ Luncheon will be held prior to the start of the Conference. Club recognitions, inspiring speakers and much more is planned! Our club also plan to host a hospitality booth with the Long Beach club, from which we will serve margaritas and other yet-to-be-determined goodies!

The District is holding a Connect with Rotary networking event for the North OC clubs will be on Thursday 5/11 at Golden Road Brewery (near Angel Stadium). Another great opportunity to network, as well as help with a hands-on project.

Last Week's Program

Club Assembly

Updates and reminders were provided regarding Easter Eggcitement, Love Placentia, the End Polio Now District Chili Cook-off. A few thoughts regarding our travelers' return from Guatemala (more on that today!). Current impressions of our temporary meeting locations-to-date (Mr. D's and Loaded Café). In May & June, we will try a third location, after which Alice will send out a poll of the members' preferences for a permanent regular morning meeting site. and equipment meet modern technology and learning.
