Club & Community News

The City's 58th Annual Heritage Day Festival was another terrific success! Despite misgivings, the shortened route seemed to run smoothly, with less stalls between marching bands, cars and vehicles carrying various dignitaries and clubs, highlighted by the honoring of veterans, especially Vietnam vets. Our own TC representing Rotary and, of course, our Mayor/Rotarian Ward! The morning was kicked off by our famous Pancake Breakfast; many thanks to Dennys and Loaded Café for the donation of sausages and pancake batter (and fixings)!

Up next -- The Prayer Breakfast, which we host in partnership with the Women's Roundtable, will be held on Thursday 11/16.

We hope to be involved in several upcoming City holiday events – so keep your eyes & ears peeled for the information. This may include the City Tree-Lighting ceremony as well as Christmas events for the kids at Whitten Center and at Gomez Center. And, of course, the annual Tamale Fest on Thursday 12/7 at Old Towne. Everyone's taste buds will be yearning for traditional tamales, while the kids visit the Rotary-sponsored Santa and enjoy a beverage at our beer bar.

RI and District News

World Polio Day was yesterday (Tuesday 10/24). We continue to fight the battle to eradicate both polio AND Post-Polio Syndrome.

The District Chili Cook-off was another resounding success, with the Zoot's recipe for the Fullerton club declared this year's winner of the District 5320 Afterburn Cup! Funds were raised for the polio fight efforts. Kevin & Lorraine attended – zipping over after our Heritage Day breakfast!

The Rotary 5320 Interact/Rotaract District Training was held earlier this week, with sessions focusing on fundraising and social media ideas. Hopefully, some of our Interactors were able to attend.

Have your checked out the District 5320 Facebook page? This is under the name Rotarians of District 5320... Lots of information of what other clubs are doing, lots of pictures and inspiring stories! Service and fun wrapped up together! Many of the varied events/activities are open to all, not limited to their local community.

Previous Week's Program

Kelley Krahlung - Craft Talk

We had the opportunity to get to know our own Kelley Krahlung a little bit better. Kelley is the Community Outreach Coordinator for the Placentia Police Department, filling the position in March of this year.

Kelley has 3 kids, 2 of which live at home; her youngest is 14. She has been active with the PTA at their schools. The skills she acquired in working with others in her roles with the PTA, as well as in her previous work experience positioned her well for her role with the PPD.

Kelley has really "hit the ground running", organizing various meet & greets at Starbucks, Pepz Pizza, and other locations around town. She has ensured participation at the LOT318 Health Fair, National Nite Out and other community events. Upcoming events include Trunk or Treat, Prescription Drug Take-Back, and Tip-a-Cop (at Craftsman Pizza on Monday 11/6). She is also helping to coordinate the Veteran's Banner program, as well as the neighboring police departments

support network. Kelley enjoys helping to provide various learning experiences, such as with the Citizens Academy and Safety Awareness training.

The Neighborhood Watch and the CERT programs will be restarted soon.

In her spare time (whenever that is), Kelley enjoys gardening - although she says that her vegetable garden seems to be non-productive!

In other news, Ward is now in Ukraine for his fourth humanitarian outreach. He is again taking medical backpack kits to distribute.
