Club & Community News

We welcomed in the new year with a temporary change of venue; for January and February, we are meeting at Loaded Café. As a reminder, try to decide on your menu selection beforehand, so that our orders can be expedited.

Our next harvesting opportunities will be at Jim’s house on Saturday 1/21. Please let Jim know if you are available to help!

Our monthly evening socials are back! We have changed these to the second Wednesday (rather than Tuesday) evenings, still at Rembrandts at 6:00 pm. Parking seems to be better. Debye often has a fun activity planned. These socials are a great opportunity for guests to explore Rotary in a casual, informal setting, as well as a chance for members to catch up with our recent and near-term community projects, and to mix it up with our partners.

Kevin & Lorraine are leading a trip to Guatemala in March. They hope to provide shoes and socks to the children in the Xela Aid complex, and are seeking donations of these items, or a monetary contribution towards the purchases.

Last week’s Program

Club Assembly

Our final numbers are in for the Tamale Fest and Santa sponsoring, which was organized and funded differently than in past year. Our net profit was \$1850 (as opposed to breaking even)

Jo-Anne has volunteered to be our chili chef for this year’s District Chili Cook-Off to be held on Saturday 4/8 at Prentice Park in Santa Ana. Entry will include tickets to the zoo. Additional details are pending.

January is National Slavery & Human Trafficking Prevention month. In order to raise awareness, a member of another District club is (bike) Riding for Hope to raise funds. Our Lisa Pacheco is joining in via exercise bike, and is accepting pledges towards this enterprise. Meanwhile, some of our members showed their support last Wednesday “Anti-Human Trafficking Day” by wearing blue.
